RULES OF PROCEDURE

The following Rules of Procedure are designed to establish a uniform basis for understanding and to guide Members in the proper conduct of their MLS participation. These guidelines, and the REALTOR® Code of Ethics and Standards of Practice, will enable all Participants and their associates to better serve the public and each other.

The Multiple Listing Service, in accepting listings from Participants, does so with the understanding that the Participant has executed the proper contracts and documentation giving the Participant the authority to submit the listing to the service. This includes, but is not limited to, the original listing contract, any subsequent changes, extensions, withdrawals, etc. The Service, in accepting listing information for dissemination, relies on the accuracy of the information supplied by the Participant.

Supplying inaccurate listing information to the service (i.e. listing date, expiration date, changes to information not made on a timely basis, price, etc.) shall be subject to disciplinary action as determined by the Ad Hoc Rules Enforcement Committee. Discipline may be in the form of a fine, suspension or expulsion from the Service, or other form imposed by the Committee.

The **“Mandatory-Listing Area”** of Northeast Wisconsin MLS is the following Counties in Wisconsin: Brown, Outagamie, Oconto, Calumet, Winnebago, Kewaunee, Marinette, Waupaca, Fond du Lac, and Shawano.

The **“Service Area”** of Northeast Wisconsin MLS is the following Counties in Wisconsin: Adams, Dodge, Door, Green Lake, Lincoln, Manitowoc, Marathon, Marquette, Menominee, Portage, Sheboygan, Waushara, and Wood.

SECTION 1. PURPOSE

A multiple listing service is:

- a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and customers and the public
- a means of enhancing cooperation among Participants
- a means by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers
- a means by which Participants engaging in real estate appraisal contribute to common databases.

SECTION 2. PARTICIPATION / QUALIFICATION

Section 2.1 DEFINITION OF MLS PARTICIPANT (Policy Statement 7.9)

Where the term REALTOR® is used in this explanation of policy in connection with the word member or the word Participant, it shall be construed to mean the REALTOR® principal or principals, of this or any other association, or a firm comprised of REALTOR® principals participating in a multiple listing service owned and operated by the board. Participatory rights shall be held by an individual principal broker unless determined by the association or MLS to be held by a firm. It shall not be construed to include individuals other than a principal or principals who are REALTOR® members of this or any other association, or who are legally entitled to participate without association membership. However, under no circumstances is any individual or firm, regardless of membership status, entitled to MLS membership or participation unless they hold a current, valid real estate broker's license and cooperate, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm cooperates means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS, shares information on listed property, and makes property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients, and to cooperate. “Actively” means on a continual and ongoing basis during the operation of the Participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law. The key is that the Participant or potential Participant cooperates with respect to properties of the type that are listed on the MLS in which participation is sought. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their client(s).

This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a “Virtual Office Website” (VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to cooperate. An MLS may evaluate whether a Participant or potential Participant actively endeavors during the operation of its real estate business to cooperate only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

Section 2.2 PARTICIPATION ELIGIBILITY

Any REALTOR of this or any other Association who is a principal, partner, or corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in the Bylaws and Rules and Regulations, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the Rules and Regulations thereof and to pay the costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service "Membership" or "Participation" unless they hold a current, valid Wisconsin real estate broker's license or are licensed or certified by an appropriate Wisconsin regulatory agency to engage in the appraisal of real property.

Use of information developed by or published by a Board Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law.

The REALTOR® principal of any firm, partnership, or corporation, main office manager, or branch office manager designated by said firm, partnership, or corporation shall be termed the "Participant" in the Service and shall have all rights, benefits, and privileges of the Service, and shall accept all obligations to the Service for the Participant's firm, partnership, or corporation, and for compliance with the Bylaws and Rules and Regulations of the Service by all persons affiliated with the Participant who utilize the service. Brokers or salespersons other than principals are not considered "Participants" in the Service but have access to and use of the Service through the principal(s) with whom they are affiliated.

Note regarding real estate salesperson subscribers licensed in Michigan: If subscribers who are otherwise qualified to access the MLS through a Member Participant under the provisions of these Rules, but hold only a Michigan real estate license, they may have access to the Service only if their Broker Participant is also licensed in the State of Michigan (in addition to Wisconsin) as a real estate broker. Such subscribers shall practice only within the scope of their license, and their use of the MLS and MLS services shall be similarly limited.

MLS Participatory rights are available to REALTOR® principals, or to firms comprised of REALTOR® principals, irrespective of where primary or secondary membership is held. a) MLS may, at their option, assess REALTORS® not holding primary or secondary membership locally, b) fees, dues, or charges that exceed those or, alternatively, that are less than those charged Participants holding such memberships locally, or c) additional fees to offset actual expenses incurred in providing MLS services such as courier charges, d) long distance charges, etc., or e) for charging any Participant specific fees for optional additional services.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm actively endeavors during the operation of its real estate business in the service market area of RANW MLS, to list real property of the type listed on the MLS.

"Actively" means on a continual and ongoing basis during the operation of the Participant's real estate business.

The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a "Virtual Office Website" (VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation. An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business" to "offer or accept cooperation" only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

Section 2.3 PARTICIPATION FEE AND SUBMISSION OF CURRENT LISTINGS

One-Time Fee: There shall be a one-time new member Participation fee as determined from time to time by the Board of Directors for the services of MLS. Initial fee shall be payable in advance of services starting. There shall be no refund of this Participation fee. **Application for Participation:** Application for participation shall be made in such manner and form as may be prescribed by the Board of Directors of the Service and made available to any REALTOR® principal member of this or any other Board requesting it. The application form shall contain a signed statement agreeing to abide by these Bylaws and any other applicable Rules and Regulations of the Service as from time to time amended or adopted.

Current Listings: Every new member firm may voluntarily submit their current listings, with seller(s) approval, to the MLS within seven business days of acceptance into membership. Once membership is established, listings must be submitted in accordance with Section 4.

Section 2.4 TRANSFER OF PARTICIPATION/QUALIFICATION

Transfer within a company: MLS participation shall not be transferable or sold except in limited circumstances.

The intent is that any transfer of Participation allowed shall be between parties with a pre-existing business relationship within the company.

For example:

- (a) In a pre-existing Wisconsin partnership, the partner named as Participant may affect the transfer of participation to the new or surviving (principal) partner;
- (b) In a pre-existing Wisconsin corporation, with an officer named as Participant, the Participant may affect the transfer of the participation to an officer of the same corporation;
- (c) In a pre-existing Wisconsin Limited Liability Corporation (LLC), with a registered agent named as the Participant, the Participant may affect the transfer of the MLS participation to another registered agent principal of the same LLC, or to an individual principal of the LLC now acting as a sole proprietor;
- (d) In a pre-existing Wisconsin Limited Liability Partnership (LLP), with a registered agent named as the Participant, the Participant may affect the transfer of the MLS participation to another registered agent of the same LLP, or to an individual principal of the LLP now acting as a sole proprietor.

Transfer to a new legal entity

A Participant (principal) may transfer MLS participation to a new legal entity when there is a change in the legal structure of the original company (e.g. sole proprietorship to LLC), or to a new business entity owned by the Participant (principal), provided that the principal remains a principal in the newly-structured company, or new business entity and simultaneously terminates participation for the former company or business entity.

Transfer between managers

Companies participating in MLS may appoint a manager to act on their behalf as the Participant and may transfer that designation from time to time provided the manager is otherwise qualified.

In a participating company where the principal of the original participating company is not qualified to be an MLS Participant as outlined in Section 2.1, the principal may transfer MLS participation from manager to manager.

- d. The new owner assumes assets of and liability for the existing member company including listings, listing history, etc. and provides affirmation of same

- 2. Payment of a new company participation fee as applicable
- 3. Submission of a directive from both former and new company representatives authorizing treatment of listings, listing agreements, listing history and company identification numbers
- 4. If participating in the Lockbox System, new Lockbox Agreements including Lockbox inventory and MLS Data Feed Access Agreements are required.

If so directed by the companies, and appropriate under WI real estate regulations, new listing agreements will not be required, listing history may be transferred to the new company, and the MLS firm number(s) may remain the same

- a. The legal entity changes
- b. The Participant remains the same but does not qualify for transfer as an officer of the corporation

- e. The former and new companies provide affirmation that new listing requirements are, or are not, to be required under the terms of the sale of the company,

Then the following MLS requirements will apply:

- 5. Submission of a new application/agreement for MLS Participation
- 6. Payment of a new company participation fee as applicable
- 7. Submission of a directive from both former and new company representatives authorizing treatment of listings, listing agreements, listing history and company identification numbers

8. If participating in the Lockbox System, new Lockbox Agreements including Lockbox inventory and MLS Data Feed Agreements are required.

If so directed by the companies, and appropriate under WI real estate regulations, new listing agreements will not be required, listing history may be transferred to the new company, and the MLS firm number(s) may remain the same.

Transfer in Case of Deceased Participants

In a sole proprietorship, LLC or LLP, Corporation, when the person named as Participant deceases, the participation rights in MLS may be transferred to a surviving family member in the company or to a new Participant that a court of competent jurisdiction so declares. Changes of ownership not otherwise covered in this section will be subject to a reapplication and fees thereto.

If a Participant should become deceased and the company does not have a qualified Broker to whom the Participation can be transferred, the MLS is not obligated to provide services, including continued inclusion of the Participant's listings in the MLS compilation of current listing information. Prior to any removal of Participant's listings from the MLS, the company will be advised in writing of the intended removal so that they may advise his/her clients.

Further conditions

In all cases above, participation is further conditioned on the following:

- (e) Transfer of Participant designation within a company may be made only among qualified principals or managers;
- (f) The new Participant must be, at the time of acquisition, qualified to become a member of the MLS;
- (g) At the time of transfer the existing Participant's membership shall be in good standing with the MLS;
- (h) The new company is a real estate business as defined in Section 2.1;
- (i) Any financial obligations to MLS are fulfilled;
- (j) The new Participant shall sign a new agreement as required under Section 2.1.

If reactivation is requested beyond the original leave granted, the Subscriber must supply written evidence from the physician verifying that the extended leave was medically warranted.

Participants with agents: A Participant may be eligible for an individual medical waiver not to exceed 6 months when it can be verified by the Participant and the Participant's physician that the Participant is unable to work for at least two months, if participating rights can be temporarily transferred to a qualified Broker/Manager acting on behalf of the Participant. Additional Paragon training webinars are available as online webinars both live and recorded on specific Paragon tools available from Paragon, they provide in-depth information and training, which is optional but highly recommended.

Listing Input and Maintenance (LIM) and Training

Listing Input and Maintenance (LIM) is a service of RANW MLS that allows MLS Participating companies the option of entering and editing their own MLS listings through the Paragon program, instead of submitting data sheets and change forms for MLS data entry. Participation in LIM is at the discretion of the participating Company Broker/Manager.

LIM Participation: A new MLS Participant who was an existing member using LIM, is not required to attend LIM training, nor wait to be activated as a LIM participating company.

A brand new MLS firm, who was not an existing member must following their MLS activation to take the LIM required training via the recorded online class.

Participating LIM companies will inform MLS if LIM access should be granted only to company managers and Office Assistants, or LIM access given to all agents/staff at that company. Participating company managers will want to inform their agents/staff of the LIM/MLS Rules, ensure that the agents/staff have been trained, and review individual company policies before allowing their agents/staff to enter or maintain listings in Paragon.

When a Company participates in LIM, all of the Company's listings must be entered and maintained through the LIM program, regardless of whether the listing agent has LIM access (management or administrative staff with their higher security level can enter/maintain listings for those agents).

Every member and company administrator who will be using LIM must complete LIM training. Paragon's Online Academy only qualifies for access to Paragon, but not to full LIM access within Paragon. RANW MLS's recorded webinar provides LIM instruction and qualifies members for LIM access.

The MLS Participant shall notify the MLS as soon as practical of the termination of an Office Administrator. Administrative Membership is granted by the MLS without additional cost or fee to the MLS Participant.

Explanation: This policy shall not be construed as requiring Participants to accept exclusive agency listings if they determine acceptance is not in their best interest or the best interest of clients or customers. However, this policy does preclude collective agreements between Participants affiliated with different firms or others to refuse to accept exclusive agency listings. This policy contemplates multiple listing services will clearly distinguish between exclusive right-to-sell and exclusive agency listings in multiple listing compilations and databases to prevent confusion about the rights and obligations of brokers who cooperate in the sale of such listings.

Listings of property located outside the Mandatory-Listing Area but within the Service Area will be accepted if submitted voluntarily by a Participant but are not required by the Service.

Section 4.2 LISTING OF ALL REAL ESTATE PROPERTIES

A. CURRENT LISTINGS

Participants and subscribers are required to submit accurate listing data and required to correct any known errors, within the time framed spelled out by MLS Rules.

Multiple listing services may not require Participants to enter into listing agreements using a form (form i.e., listing contract) other than the form a Participant individually chooses to use. Multiple listing services may refuse to accept any listing which fails to adequately protect the interests of the public and other Participants, and shall not accept any listing which establishes a contractual relationship between the MLS and a Participant's client. (NAR Policy)

B. PROPERTIES REQUIRED

All real estate properties listed by the Participant, his/her partners and licensees, including those owned by licensees, where the seller has authorized the listing broker to cooperate with other brokers, shall be submitted to MLS on a listing contract as provided

for in Section 4.

Listing Agreements unless the seller does not permit the listing to be disseminated by the Service either for the term of the listing or for a limited period of time (exempt "Office Exclusive"). See Section 4. Listings Exempted from MLS - "Office Exclusives".

For properties owed by a sole proprietor licensee who is a Participant in MLS, written notification to MLS is required in place of Listing Contract.

C. LISTING CONTENT DEFINED

"Listing content", as defined in the National Association of REALTORS MLS policies, includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

D. LISTING HISTORY

The RANW MLS does not allow members to remove all history of their property records in MLS; the listing is to remain a part of the MLS compilation after the listing is sold or expired or withdrawn, as the historic data base is an integral part of the MLS system, and the MLS is not for short term marketing. Special requests made for safety reasons by the property seller or owner for removal of listing content from RANW MLS data feeds, (e.g., IDX) will be confirmed with the listing company and will then be considered by MLS. Per NAR MLS Participants Rights; RANW MLS will, upon request from Participant, provide MLS documentation as provided by Participant including listing content entered into MLS such as listing documents and listing audit report for their listing in Paragon.

E. 2. If any Remarks section includes a reference to delayed showings, but the “Seller Authorization to Delay Showings or Exclude Listing from the RANW MLS” Form has not been provided to the MLS, but the listing contract does include reference, the MLS will send notice to the listing company to submit the form to the MLS within twenty-four (24) hours. I. UNCONFIRMED LISTINGS VISIBILITY

The Code of Ethics and Wisconsin advertising laws shall be followed as to not be misleading to members or the public. If a listing is submitted to RANW MLS and is in "Unconfirmed Status", the **MLS #** may not be used publicly (this includes Social Media postings) on internet sites until the listing is Active and Confirmed in MLS for all members to access. This includes the use of a partial listing display in Paragon.

- J. DAYS ON MARKET:** DOM will be calculated as of entry of listing into MLS as active, per the original listing contract date. The original listing contract date is the listing date to be used in MLS, even if listing was delayed or excluded, the listing was a valid listing contract and for sale.

Section 4.4 LISTING AGREEMENTS

A. The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

- Listings are to be submitted by Participant; no listings shall be made by or with the MLS.
- Assure that no listing form filed with the MLS may establish, directly or indirectly, any contractual relationship between the MLS and the client (buyer or seller).
- MLS reserves the right to refuse to accept a listing form that fails to adequately protect the interest of the public and the Participants.
- At the time of filing a listing, Participants and subscribers must include a property address, parcel identification, or a legal description of the property sufficient to describe its location in accordance with Section 4.12.

B. Any listing taken on a contract to be filed with the MLS is subject to the Rules and Regulations of the Service upon signature of the seller(s).

C. MLS shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and other listing contracts lawful in Wisconsin.

The service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted, except where required by law, because of the inherent nature of an open listing.

Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients. Michigan listing contracts are acceptable.

D. The listing agreement must include the seller's authorization to submit the property listing to the MLS.

E. The type of listing agreement submitted must be indicated by the appropriate code on the listing submitted to MLS.

F. Listings Agreements of HUD and REO Types only, may be submitted and changed with email documentation.

G. Listing Agreement Definitions:

- a) **Exclusive Right to Sell Listing:** A contractual agreement under which the listing broker becomes the agent of the

seller(s) and the seller(s) agrees to compensate the listing broker regardless of whether the property is sold through the efforts of the listing broker, the seller(s) or anyone else.

b) **Exclusive Agency Listing:** The exclusive agency listing also authorizes the listing broker as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations.

c) **Other Listings:** Other listing agreements may include agreements such as open listings or other forms of non-exclusive listings as are lawful under Wisconsin law. An open listing is an agreement which may be given by a seller to any number of brokers, with the first broker to secure a buyer under the terms of the listing agreement earning the commission. Michigan listing contracts are acceptable.

If "Other" Listing Agreement, is checked, it shall be disclosed in Private Remarks.

H. Submissions of Co-Listings

The RANW MLS does not allow submission by MLS Participants of properties listed by, or co-listed with, non-fee paying licensees, with the exception of REALTOR® members participating in one of the Wisconsin WIREX MLSs.

Note: Only one company receives listing credit and only one company receives selling credit.

I. Named Exceptions

Seller(s) may, in an exclusive-right-to-sell or exclusive agency listing, name one or more individuals or entities as exemptions in the listing agreement whereby if the property is sold to any exempted individual or entity, the seller(s) is not obligated to pay a commission to the listing broker.

Listings with named prospects exempted can present special risks of procuring cause controversies and administrative problems not posed by listings with no named prospects exempted.

A "Yes" or "No" notation must be made on the property data form to identify the type of listing and make known to Participants that the listing has named prospects exempted. The Named Exception is from previous listing contract, not current listing contract.

J. No Control of Commission Rates or Fees Charged by Participants

The MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

Section 4.5 EXPIRATION, EXTENSION, AND RENEWAL OF LISTINGS

Any listing filed with the MLS automatically expires on the dates specified in the agreement unless renewed by the listing broker. If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing must be secured for the listing to be filed with the Service, which will then be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and be filed with the service immediately.

Section 4.6 TERMINATION DATE ON LISTINGS

Listings filed with the Service shall bear a definite and final termination date as negotiated between the listing broker and the Seller.

Section 4.7 LISTING PRICE SPECIFIED

The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings, including if the property is subject to auction.

Section 4.8 VALUE RANGE PRICING

MLS accepts listings with value range pricing, listing agreement must indicate same.

- Note: Remarks can be searched for *VALUE* as the key word to find these types of listings in MLS Search.

Section 4.9 LIMITED SERVICE LISTINGS

Limited Service Listings must be identified in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

- Requirement # 1: In the required field, indicate with a yes or no if the listing is Limited Service. The code will be displayed on the MLS Paragon Full – type displays only.
- Requirement # 2: If listing is checked with a yes for limited service, the RANW MLS Limited Service Form must be attached

to the listing in MLS upon submission of listing; which will indicate which of the services are NOT being provided by the Listing Company.

Limited Service Listings are agreements under which the listing broker will NOT provide ONE or MORE, of the following services. In other words, if the Listing Broker doesn't do one or more of these services, the listing is considered a Limited Service Listing:

- a) Schedule and arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s);

- **Active (A or ACT)** This Active property status is Active, no Offer. It may display as A or ACT or Active No Offer on displays.
 - **Active Offer with Bump (AB)** This Active status will indicate on some MLS displays as AB or it will display the full status name. Seller has accepted Offer to Purchase which contains a Bump Clause and may also contain other contingencies.
Example: Seller may accept bona fide secondary Offers and may, but is not required to, issue a Bump Notice to primary Buyer.
 - **Active Offer with No Bump (AN)** This Active status will indicate on some MLS displays as AN or it will display the full status name. Seller has accepted Offer to Purchase which does not contain a Bump Clause, but may contain other contingencies.
Example: Seller may accept secondary Offers; however, a secondary Offer may not be elevated into primary position unless primary Buyer fails to satisfy contingencies, if any, or the primary Offer is otherwise cancelled by law or mutual consent.
 - **Active Offer with Bump – Show = (ABS)** This Active status will indicate on some MLS displays as ABS or it will display the full status name. Seller has accepted the Offer to Purchase which contains a Bump Clause, and may also contain other contingencies. Seller has chosen to continue to Show the property.
Example: Seller may accept bona fide secondary Offers and may, but is not required to, issue a Bump Notice to primary Buyer.
 - **Active Offer No Bump – Show = (ANS)** This Active status will indicate on some MLS displays as ANS or it will display the full status name. Seller has accepted Offer to Purchase which does not contain a Bump Clause, but may contain other contingencies. Seller has chosen to continue to Show the property.
Example: Seller may accept secondary Offers; however, a secondary Offer may not be elevated into primary position unless primary Buyer fails to satisfy contingencies, if any, or the primary Offer is otherwise cancelled by law or mutual consent.
- Date of AO: The date of an Accepted Offer is required to be reported to MLS.
 - The date used: Must be the Date of Accepted Offer is accepted, not pending date, not closed date, not date offer written.
 - Public Sites: All Active-Type Statuses will be included in RETS feeds and show on all member and public sites.
 - Prospects in Paragon: Remember, Prospects viewing your listing in Paragon will see the Offer Status information.
 - Offer Fails: If an Offer Status is applied to a listing and the Offer falls through, the listing company/agent needs to change the status back to Active (No Offer) in the MLS **promptly within 24 hours upon** change, (except weekends, holidays, and postal holidays). This allows the MLS Hotsheet to trigger a miscellaneous change.
Listing History will generate an entry noting the Offer Status change as well. In the Prospect program, the change may trigger the addition of the listing to a Prospect's cart if it wasn't there before or bump it to the top of the list if it's already in the cart.

Section 4.18 WITHDRAWAL OF LISTING PRIOR TO EXPIRATION

Listing Company: Listings of properties may be withdrawn from the MLS which are submitted by the Listing Company broker in writing before the expiration date of the listing agreement, provided notice is filed with the Service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

A **withdrawn listing** is one which the seller wants taken off the market or out of MLS, but which still has a valid listing contract. Please note, all MLS Rules continue to apply to the listing.

Sellers: Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that this exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller.

For a Seller to effectively have the MLS agree to withdraw their listing from MLS, the Seller must provide to the MLS in writing their request to withdraw their listing. The Seller shall also acknowledge that MLS is making no representations as to the legal effect between the Seller and the listing Broker where there is no mutual agreement to withdraw the listing.

The seller must also provide copies of correspondence the Seller has issued directly to the listing Broker terminating the listing contract between that Seller and listing Broker. The MLS may, within its discretion based upon documentation MLS has received, remove the listing as requested by the Seller.

Listing Brokers, in accepting membership in the MLS, acknowledge that there is no responsibility of the MLS to inquire of the listing Broker as to the legal status of the listing contract between the listing Broker and the Seller, where the Seller has in fact given written documentation to the MLS of the Seller's termination of the listing contract: and, there shall be no liability of the MLS to the listing Broker in those circumstances where the MLS follows the terms of this Rule.

Section 4.19 PENDING

Accepted Offer with no contingencies; it is ready to close. Pending properties are also included in the RETS feeds for posting by most member and public websites. Updating the status and Pending date in MLS to be entered promptly within 24 hours not to wait for posting closed information in MLS.

Section 4.20 “DOM” - DAYS ON MARKET

The Days On Market (DOM) is calculated from the List Date to the Pending Date, which is why the accuracy of the Pending Date is a very important date. The DOM have been calculated from List Date to Pending Date for RANW MLS, since 2013, for determining statistical reports. (Prior to 2013, List Date to Sold Date was used for DOM calculation).

Section 4.21 SOLD

Closed properties. Also See MLS Rule Section 5.

Status changes, for other than Offer Statuses, including final closing of sales and sales prices, shall be reported to the Multiple Listing Service by the listing broker within three (3) days after they have occurred.

If negotiations were carried out under Section 5.1 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within twenty-four (24) hours after occurrence and the listing broker shall report them to the MLS within twenty-four hours (24) after receiving notice from the cooperating broker. For further reporting of “Offer Statuses”, see Contingencies.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to Participants and subscribers.

In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing Participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records.

Section 4.22 DUPLICATE LISTINGS

Duplicate listings are no longer allowed to be submitted into the MLS system within the same Property Type, unless listing has multiple properties to be sold together.

Condo listings are not allowed to be entered into the RANW MLS Residential Property Category with the exception of a free-standing, single unit condo. Said Condo listing may be entered as a duplicate into the Residential Property category only after entry as a Condo. The Residential listing must be identified immediately in the public remarks as a Condo and must include the Condo MLS number. At the time of closing, the Residential listing must be removed from MLS and the Condo listing closed.

Section 4.23 LISTING MULTIPLE UNIT PROPERTIES

All multi-unit properties that are to be sold separately must be indicated individually in the listing contract and submitted on separate Property Data Forms. When sold, each sale must be reported separately. When only part of a single listed property has been sold, proper notification should be given to the MLS.

Section 4.24 LISTINGS OF SUSPENDED PARTICIPANTS

When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, local Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligation except failure to pay appropriate dues*, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective.

If a Participant has been suspended from the local Association or MLS (or both) for failure to pay appropriate dues*, fees or charges, a local Association's MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listings information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant shall be advised in writing of the intended removal so that the suspended Participant may advise his/her clients, *including REALTOR Association dues.

Section 4.25 LISTINGS OF EXPELLED PARTICIPANTS

When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees or charges*), all listings currently filed with the MLS by the expelled Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective.

If a Participant has been expelled from the local Association (except where MLS participation without local Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges*, a local Association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listings information.

Prior to any removal of an expelled Participant's listing from the MLS, the expelled Participant shall be advised in writing of the intended removal so that the expelled Participant may advise his/her clients, *including REALTOR Association dues.

Section 4.26 LISTINGS OF RESIGNED PARTICIPANTS

When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised in writing of the intended removal so that the resigned Participant may advise his/her clients.

Section 4.27 LISTINGS OF DECEASED PARTICIPANTS

If the company files intent to transfer to a particular individual, MLS may grant a reasonable grace period of time in which that individual becomes qualified before reapplication is required by a new Participant. The company is advised to seek legal opinion as to their ability to practice under state regulatory requirements during that period of time.

Section 4.28 LISTINGS AND MLS SYSTEMS PROGRAMS OF TRANSFERRED AGENTS

It is the responsibility of the Broker of the original firm to advise the MLS of the transfer of an agent.

Transferring Agents Listings: Before an agent can be transferred, their Active, Pending, and Withdrawn listings must be reassigned by the Broker to another agent within the firm. If not specified on the transfer form, these listings will be assigned to the Broker. The Listing and Sales History of the transferred agent's listings remains with the Firm for statistical purposes. Agents should run statistical reports on listings and/or sales before they transfer.

Transferring Agents Contacts, Collab Center, and CMAs: RANW MLS will transfer Contacts, Collab Center carts, and CMAs as entered into the MLS system with the transferring agent.

Section 4.29 COMMUNICATIONS – UNAUTHORIZED USE OF MEMBERSHIP DATA

(a) Electronic Membership Data - Electronic membership data, including rosters, from RANW or RANW MLS may not be used for the purpose of broadcast emailing. Information readily available in the MLS such as new listings, status or price changes, open houses, incentives, and bonuses should not be broadcast emailed.

SECTION 5. SELLING PROCEDURES

Section 5.1 MLS Participation by Brokers Acting as Agents of Potential Purchasers (Policy Statement 7.40)

No association or association MLS may make or maintain a rule which would preclude an individual or firm, otherwise qualified, from participating in an association MLS solely on the basis that the individual or firm functions, to any degree, as the agent of potential purchasers under a contract between the individual (or firm) and the prospective purchaser (client). However, in instances where the Participant is representing the potential purchaser as an agent, the Participant cannot function simultaneously as the subagent of the listing broker without buyer and seller consent or as provided by state law; and must make his true position clearly known to all interested parties at first contact.

Section 5.2 WRITTEN BUYER AGREEMENT

Unless inconsistent with state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include: a. a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source; b. the amount of compensation in a manner that is objectively ascertainable and not open-ended. c. a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and d. a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable.

Section 5.3 SHOWINGS AND NEGOTIATIONS

Upon submission of a property listing to the MLS, the listing broker shall permit access to listed property for showings by other Brokers unless directed otherwise by the seller, in which case such restriction shall be stated in the listing contract.

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the MLS shall be conducted through the listing broker except under the following circumstances:

- (a) The listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- (b) After reasonable effort, the cooperating broker cannot contact the listing broker or his representative. However, the listing broker, at his or her option, may preclude such direct negotiations by the cooperating brokers.

Section 5.4 AUTHORIZED ACCESS TO PROPERTIES

Having an electronic Keypad does not allow automatic access to properties in the MLS. All Key Holders must contact the listing office, identifying him/herself, in order to seek prior authorization to access the property.

Section 5.5 TIMELY PRESENTATION OF OFFERS

The listing broker must make arrangements to present the offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so.

Showing After Offer Received:

The listing broker shall continue to show the property to prospective purchasers even though there may be offers that have not yet been accepted by the seller in writing, unless such showing is contrary to Seller's specific written instructions.

Section 5.6 SUBMISSIONS OF WRITTEN OFFERS

As required by Standards of Practice 1-7, the listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or unless agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 5.7 RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER

The cooperating broker (subagent or buyer agent) or his or her representative has the right to participate in the presentation to the seller or lessor of any offer he or she secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessors written instructions.

None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented.

Section 5.8 RIGHT OF LISTING BROKER IN PRESENTATION OF COUNTER-OFFER:

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except where the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessees written instructions.

Section 5.9 REPORTING SOLD TO THE SERVICE

For additional information related to the reporting of status changes including the final sale of property, refer to Section 4 of Rules.

The sale price reported in the MLS should be the same price that is reported to the State of Wisconsin on the Real Estate Transfer Return. If a property is combined with other property at final sales time, the data must be updated in MLS and reported correctly to ensure both statistical data and comp sales are not misleading and mirror what was reported on the state transfer form.

NOTE: The Listing Agreement and /or the Offer To Purchase of a property filed with the MLS by the listing or selling broker should include a provision expressly granting the listing broker authority to advertise, to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property.

If offices have Office Exclusives or One-Party Listings, or FSBOs sold under Buyer Agency Agreements that do not sell through MLS, they can, with seller and/or buyer authorization as appropriate, report these sales through MLS as a Comp Only. This builds a more complete and useful database of comp information to benefit all members. Note: Comp only properties submitted to MLS (Buyer's Agent), will be recorded in MLS with one side of the selling transaction.

Section 5.10 REPORTING SOLD ON NAMED EXCEPTIONS

In transactions where the property was sold to a named exception under a prior listing, Sold information shall be reported to the MLS system for comparable statistics. The sale will be recorded in the first office's inventory as Sold. For example:

Scenario: Expired listing is picked up by a second broker. First broker advises second broker that a buyer, a prior named exception, has submitted an offer. All contingencies are subsequently met.

Solution: The second office withdraws their listing from MLS. The first office submits a status change form and turns in the closed information.

If a named exception is from a seller only, not involving another real estate office, it doesn't get reported to MLS; MLS cannot record "FSBOs."

Section 5.11 REPORTING RESOLUTIONS OF CONTINGENCIES

The listing broker shall report to the MLS within **24 hours** that a contingency on file with the MLS has been fulfilled or renewed, or the agreement canceled. See "Status" Changes in Section 4.

Reporting to MLS, shall be by updating the status in LIM.

Section 5.12 REPORTING CANCELLATION OF PENDING SALE

The listing broker shall report immediately to the MLS the cancellation of any pending sale and the listing shall be reinstated immediately if listing has not expired.

Reporting to MLS, shall be by updating the status in LIM.

Section 5.13 DISCLOSING THE EXISTENCE OF OFFERS

Listing brokers, in response to inquiries from buyers or cooperating brokers, shall, with the seller's approval, disclose the existence of offers on the property.

Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker.

Section 5.14 OPTION TO PURCHASE

If listing has an option to purchase, but is not sold, it shall be placed in the Withdrawn status in MLS, not in the Pending status. Once the property sells, this listing may be brought back on market and recorded with the sold information.

Section 5.15 ELECTRONIC CONSENT FOR EMAIL DELIVERY

The data field(s) for Electronic Consent will be a Yes or No field in the MLS System, to be used with approved definition, see MLS Rules Definitions Section.

Section 5.16 SELLER ALLOWANCES

The data field of Seller Allowances is a required data field for reporting of a sold. The Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alteration not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value.

Seller Allowances are NOT subtracted from the Gross selling price for commission purposes.

The use of the approved list and definitions for seller allowances shall be used when reporting seller allowances, see Section on Definitions.

Section 5.17 BUYER INDUCEMENT

Required for reporting property sold information as applies.

Buyer Inducement is any amount of money offered over listing price to induce Seller to choose Buyers Offer.

Examples of Buyer incentives/inducements would be: Paying the full year tax bill instead of proration, paying sellers closing costs, paying the difference between the selling price and the appraised value, paying sellers moving costs, etc.

Section 5.18 Required Consumer Disclosure (Policy statement 8.12)**Disclosure of Compensation: MLS Participants and Subscribers must:**

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).

2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay.

Section 5.19 WRITTEN BUYER AGREEMENTS REQUIRED (Policy Statement 8.13)

Unless inconsistent with state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include: a. a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source. b. the amount of compensation in a manner that is objectively ascertainable and not open-ended. c. a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and d. a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable.

Purpose: A multiple listing service is a means by which cooperation among Participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to real property common databases; and is a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and the public.

Participation: Any REALTOR® of this or any other association who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in multiple listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the

costs incidental thereto.* However, under no circumstances is any individual or firm, regardless of membership status, entitled to multiple listing service membership or participation unless they hold a current, valid real estate broker's license and cooperate, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed by or published by an association multiple listing service where access to such information is prohibited by law. (Amended) Mere possession of a broker's license is not sufficient to qualify for MLS participation.

Rather, the requirement that an individual or firm cooperate means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS, share information on listed property and make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their client(s). "Actively" means on a continual and ongoing basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a parttime, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

*Optional qualifications which may be adopted at the local association's discretion: Any applicant for MLS participation and any licensee (including licensed or certified appraisers) affiliated with an MLS participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval within thirty (30) days after access has been provided.

Associations are not required to establish prerequisites for MLS participation beyond holding REALTOR® (principal) membership in an association. However, if the association wishes to establish these requirements for MLS participation or for access to MLS-generated information, the requirement of attendance at an orientation program is the most rigorous requirement that may be established. (Amended 2/94) **Generally, associations of REALTORS®, when there is more than one principal in a real estate firm, define the chief principal officer of the firm as the MLS participant. If each principal is defined as a participant, then each shall have a separate vote on MLS matters. Brokers or salespersons other than principals are not considered participants in the service but have access to and use of the service through the principal(s) with whom they are affiliated. The key is that the Participant or potential Participant actively endeavors to cooperate with respect to properties of the type that are listed on the MLS in which participation is sought. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a "Virtual Office Website" (VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to cooperate. An MLS may evaluate whether a Participant or potential Participant actively endeavors during the operation of its real estate business to cooperate only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

SECTION 6. REFUSAL TO SELL

If the seller of any listed property filed with the MLS refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

SECTION 7. PROHIBITIONS

Section 7.1 INFORMATION FOR PARTICIPANTS ONLY

Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker. A Participant with licensees who are subject to a fee waiver under Section 9.2 may not make available to those licensees' listings of other brokers in the MLS. The preceding sentence does not prohibit a licensee from accessing listing records from another MLS or from any other source lawfully available to the licensee.

Section 7.2 "FOR SALE" SIGNS

Only the "For Sale" signs of the listing broker may be placed on the property.

Section 7.3 "SOLD" SIGNS or PUBLIC REPRESENTATION OF A SOLD

Prior to closing, only the "Sold" sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. **This limitation further applies to any type of public marketing/advertising or social media posting by a cooperating broker.**

Section 7.4 SOLICITATION OF LISTING FILED WITH THE SERVICE

Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

NOTE: This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This Section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 7.5 USE OF THE TERMS MLS AND MULTIPLE LISTING SERVICE

No MLS Participant, subscriber, or licensee affiliated with any Participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with Participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. The provisions of this section apply to licensees affiliated with a Participant who are subject to a fee waiver under Section 9.2.

Section 7.6 SERVICES ADVERTISED AS “FREE”

MLS Participants and Subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services.

Section 7.7 UNAUTHORIZED USE OF MEMBERSHIP DATA

(a) Electronic Membership Data - Electronic membership data, including rosters, from RANW or RANW MLS may not be used for the purpose of broadcast emailing. Information readily available in the MLS such as new listings, status or price changes, open houses, incentives, and bonuses should not be broadcast emailed.

Section 7.8 NO FILTERING BASED ON COMPENSATION

Non-filtering of Listings (Policy Statement 8.5)

MLS Participants and Subscribers must not, and MLSs must not enable the ability to, filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent.

Section 7.9 NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS

The multiple listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by participants. Further, the multiple listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating participants or between participants and nonparticipants.

SECTION 8. COMPENSATION NOTICE

Compensation Notice (Policy Statement 7.39)

It is recommended that MLSs publish the following notice to their general membership at least annually.

Compensation Notice 1. A broker's compensation and fees for services are not set by law and are fully negotiable. 2. A broker's compensation for services rendered to a seller or for services rendered to a buyer is solely a matter of negotiation between the broker and their client, and is not fixed, controlled, recommended, or maintained by any persons not a party to the brokerage service agreement. 3. The compensation paid by a listing broker to a cooperating broker in respect to any listing is established by the listing broker and is not fixed, controlled, recommended, or maintained by any persons other than the listing broker.

Section 8.1 NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS

The MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

Section 8.2 NO COMPENSATION OFFERS IN MLS (Policy Statement 8.11)

The MLS must not accept listings containing an offer of compensation in the MLS to other MLS Participants and Subscribers. Further, the MLS may not create, facilitate, or support any non-MLS mechanism (including by providing listing information to an internet aggregator's website for such purpose) for Participants, Subscribers, or sellers to make offers of compensation to buyer brokers or other buyer representatives. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform of offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant's access to any MLS data and data feeds.

The multiple listing service must not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers). The multiple listing service must not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers).

Note 1: Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in MLS rules, short sales are defined as a transaction where title transfers, where the sales price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require Participants to disclose short sales when Participants know a transaction is a potential short sale.

Section 8.3 COMPENSATION SPECIFIED ON MLS LISTINGS

Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant's access to any MLS data and data feeds. **Note 1:** The multiple listing service must not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers). **Note 2:** The multiple listing service shall make no rule on the division of commissions between Participants and non-Participants. This should remain solely the responsibility of the listing broker. **Note 3:** Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require Participants to disclose potential short sales when Participants know a transaction is a potential short sale.

Section 8.4 REQUIRED CONSUMER DISCLOSURE

Disclosures of Compensation: MLS Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).
2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay.

Section 8.5 SHORT SALES

Participants may, but are not required to, disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) to other Participants and subscribers.

Section 8.6 PARTICIPANT AS PRINCIPAL

If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in property, the listing of which is to be disseminated through the MLS, that person shall disclose that interest when the listing is filed with the MLS and such information shall be disseminated to all MLS Participants. (Licensee Interest - Yes/No)

Section 8.7 PARTICIPANT AS PURCHASER

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, the following Wisconsin Department of Safety and Professional Services administrative rule will apply: RL 25.05 (5) (a)1. The first contact with the other party or an agent representing the other party where information

regarding the other party or the transaction is being exchanged. (a) 2. A showing of the property. (a) 3. Any other negotiation with the seller or the listing broker. (b) The disclosure under this subsection shall be made to the other party in a transaction or to an agent representing the other party.

SECTION 9. SERVICE FEES AND CHARGES

Section 9.1 The following service charges for operation of the MLS are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

(a) **Initial Participation Fee:** An applicant for participation in the Service shall pay an application fee determined from time to time by the Board of Directors with such fee to accompany the application. Application fees are not refundable. Initial participation fee shall be due and payable in advance of services starting.

(b) **Recurring Participation Fee:** The monthly participation fee of each Participant office shall be an amount as determined from time to time by the Board of Directors times each salesperson and licensed or certified appraiser or appraiser trainee in the office, whether licensed as a broker or sales licensee or licensed or certified appraiser, who is employed by or affiliated as an independent contractor with such Participant, except that this fee shall be waived for licensees subject to a fee waiver under Section 9.2.

However, MLSs must provide Participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker Participants sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated.

Agent Transfer or Termination: Offices must submit any agent transfer or termination in writing by the end of the month to avoid paying the following month's MLS fees for that agent.

New Subscriber: The MLS fee for a new subscriber shall be waived in the month joined. The fees due for the agent will be for the first full month of service. Billing may in some cases reflect services from the previous period if the member joins after billing date.

Failure to comply with Section 9 MLS Participants' failure to register all salespersons and or licensed or certified appraisers affiliated with their company in accordance with Section 9 will result in back billing of MLS fees times the number of months unreported licensee(s) or appraisers should have been assessed fees for the current calendar year, and any applicable fines. If the company participates in the Electric Lockbox program, the Participant will also be back-billed Lockbox fees for the same period.

(c) **Duplicate Listing Fee:** After one initial entry of a listing at no charge, there will be a charge, as determined by the Board of Directors, for any listing submitted as a duplicate listing, as long as they are not the same property type. Listings may not go into more than one municipality.

It is the Broker's responsibility to keep duplicate (all) listings active and with accurate information, and to report only one in MLS as sold (when it closes), and request deletion of the other.

(d) Participant Data License Data Feed fees

The data feed fees will be included on the fee schedule of the Participant Data License Agreement, as annually approved by the Board of Directors. These fees will be billed to the RANW MLS Participants on their Firms monthly invoice for set up fees and ongoing data feed fees.

Section 9.2 SUBSCRIBER FEE WAIVERS

MLS provides Participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser in a participating office who can demonstrate subscription to a different MLS where the principal broker for the office also participates. MLS requires Participants to sign a certification for nonuse of MLS services, which includes penalties and termination of the waiver if violated. RANW MLS Policy provides for MLS to send an email confirming waiver request to MLS Participant.

Under Section 9.1, any per-subscriber fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of subscribers in a participating office for purposes of any recurring per-subscriber fees paid by a Participant under Section 9.1 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 9.2.

For purposes of this Section 9.2 and all rule provisions referring to it, "licensee" refers to non-principal salespersons and licensed and certified appraisers. Section 9.2.1 sets out the conditions for fee waiver, Section 9.2.2 the process for obtaining and maintaining waivers, Section 9.2.3 circumstances under which waiver is revoked and consequences of revocation, and Section 9.2.4 the consequences of repeated violations of these policies.

Section 9.2.1 CONDITIONS FOR WAIVER

Fee waivers are available for non-principal broker and non-principal appraiser licensees in offices participating in MLS, provided the Participant and any fee-waived licensee(s) meet all the following requirements:

- a. Any fee-waived licensee must be a subscriber in another multiple listing service.
- b. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services

of this MLS:

1. Using this MLS's systems (including, but not limited to the RANW MLS Paragon System), databases, lockboxes, etc. This does not include accessing listing information of the licensee's own broker or of other brokers through the Participant's IDX site or elsewhere. It does include accessing such information on the Participant's VOW (which is for consumers' personal use).
2. Being identified as a listing agent on an active or pending property listing in this MLS.
3. Submitting property listings to this MLS under licensee's name, licensee's Company MLS Participant's name, or any other name.
4. Use of any data feed from this MLS (except one that includes listings only of the licensee's broker).
5. Using this MLS's data on an IDX or VOW website identified as the fee-waived subscriber's site or page, **(with the exception being a link to the subscriber's company site)**.
6. Using this MLS's data in an automated valuation product or tool in any product or service identified as coming from the fee-waived subscriber.

Section 9.2.2 PROCESS FOR OBTAINING AND MAINTAINING WAIVERS

The Participant must at all times provide to MLS up-to-date information on all licensees, whether they are subscribers or fee-waived licensees, in each participating office. The Participant must identify which licensees are subject to fee waivers and for each waived licensee the other MLS in which he/she is a subscriber on the waiver certification form.

The Participant must provide notice to the MLS within five (5) business days of any change in status of any of its licensees.

In order to obtain a waiver for any licensee in the Participant's office, the Participant must execute the MLS's form for listing fee-waived licensees and the certification on it. In order to maintain a waiver for any licensee, the Participant and licensee must continue to satisfy the requirements of Section 9.2.1.

Section 9.2.3 REVOCATION OF WAIVER

The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

- a. The Participant or fee-waived licensee may revoke the waiver at any time upon notice to this MLS. In that case, the fee-waived licensee immediately becomes a subscriber and any fees due to MLS under its normal fee schedule for the current period for the subscriber (including pro-rata fees for any partial service period and any application fees if none have previously been paid for the subscriber) shall immediately become due and payable. In the event a fee-waived licensee appears as a listing agent on an active or pending listing in this MLS, the Participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (a).
- b. If this MLS determines that the fee-waived licensee has used any of the services of this MLS listed in Section 9.2.1(b) during a fee-waiver period, MLS may terminate the fee waiver upon notice to the Participant and subscriber.

In this case, the consequences of subsection (a) apply, and in addition to them, MLS may recover from Participant or subscriber all the fees MLS would have collected had the fee-waived licensee been a subscriber during the entire period of the waiver up to twelve (12) months and a fine described in Section 11 of these rules. After six months, the Participant and subscriber can re-certify the subscriber to be a fee-waived licensee.

Section 9.2.4 CONSEQUENCES OF REPEATED VIOLATIONS

A pattern of repeated violations of Section 9.2.1(b) exists when a Participant allows any combination of three or more violations of Section 9.2.1(b), whether the Participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a subscriber commits three or more violations of Section 9.2.1(b).

In the event that a Participant or subscriber exhibits a pattern of repeated violations of Section 9.2.1(b), MLS may suspend all fee waivers for the Participant or subscriber (or both) for a period of up to three years. If, after such a period of suspension, a Participant or subscriber again exhibits a pattern of repeated violations, MLS may permanently terminate fee waivers for the Participant or subscriber (or both). In the event a Participant or subscriber subject to suspension or termination of waivers moves to a new office as a Participant, that office shall be ineligible for waivers during the pendency of its Participant's suspension or termination. In the event a Participant or subscriber subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of his or her suspension or termination.

SECTION 10. NON-PAYMENT OF MLS FEES

Payment Schedule for MLS Fees and Actions Taken for Non-Compliance:

All monthly MLS fees billed to the MLS Company (user fee, lock box fees, data feeds, late fees, fines, etc...) are due by the 15th of the month for services to be rendered during that month.

If payment is not received within 3 days of the due date (by the end of business on the 18th of the month, Saturdays, Sundays and holidays excluded), a late fee of 5% or \$25, whichever is greater, will be imposed for the MLS Participants/Company, and a late fee of 5% or \$10, whichever is greater, will be imposed for the RANW Affiliate Home Inspectors/Company.

If non-payment continues, the Company is subject to further action as follows, including additional late fees, suspension of services and termination of membership:

* End of 3 rd Month	3rd month notice is sent: Termination of MLS Membership and Termination of all MLS services: Termination: MLS Participant's Membership and MLS Services for Participant's Company are terminated requiring reapplication and repayment of application fee to be reinstated assuming the Company still meets eligibility requirements, in addition to payment of all past due charges including late fees. This includes reapplication for all MLS Data feeds. Termination: Affiliate Home Inspector's MLS Service of the Lockbox System is terminated. Reapplication for services will be required assuming the Company still meets eligibility requirements, in addition to payment of all past due charges and late fees. In case of non-reinstatement, collection proceedings will be initiated through legal means to recover all past charges owed and to collect lockbox equipment.

Furthermore, failure to pay MLS fees within three months of due date subjects you to suspension of your REALTOR membership in the REALTORS Association of Northeast WI, and suspension of that membership will proceed to the Association in five days should payment not be received.

Disputed Fees: All fees, including those in dispute, must be paid in full in accordance with the above schedule. Disputes over fees shall be submitted in writing to the Board of Directors to request consideration.

Repeated Late Payments: If late payment by an office occurs repeatedly, payment may be required to be made by cashier's check, money order or cash until the account is re-established as compliant.

Partial Payments: Partial payment and NSF checks will be considered non-payment and subject to late fees and penalties outlined above.

SECTION 12. COMPLIANCE WITH RULES AND ENFORCEMENT

Section 12.1 COMPLIANCE WITH RULES-AUTHORITY TO IMPOSE DISCIPLINE

By becoming and remaining a Participant or subscriber in this MLS, each Participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision.

The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the Participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. retroactive fees related to any licensee granted a fee waiver under Section 9.2 in the event the MLS determines that the licensee made use of any MLS services prohibited in Section 9.2 during the period of waiver

- f. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- g. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) Years.

Each Participant is subject to these rules with regard to licensees affiliated with the Participant who are subject to fee waiver under Section 9.2.

Note 1: A Participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a Participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment.

The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance.

Note 2: MLS Participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, **except that the MLS may allow more administrative sanctions for violations of listing information provided by Participants and subscribers before requiring a hearing.** The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's Participant and the Participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year.

12.2 DOCUMENT REQUEST SUBMISSION: In addition to required document submissions, RANW MLS reserves the right to obtain any document that is pertinent to a listing or sale filed with or entered into RANW MLS. Confidential information may be redacted from the submitted documents. Documents at no time will be shared with the public and are for RANW MLS transactional bookkeeping only. Requested documents must be submitted within 1 day of the written request from RANW MLS. Violation of this rule will result in a \$100 fine. If the requested document is not received 1 day after the \$100 fine is imposed the RANW MLS Board of Directors may suspend the Participant's RANW MLS membership and MLS services.

Section 12.3 COMPLIANCE WITH RULES – Regarding Service Fees - See Section 10, Non-Payment of MLS Fees

Section 12.4 CONSIDERATION OF ALLEGED VIOLATIONS

When requested by a complainant, MLSs will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant, **provided the Complainant provides sufficient evidence for the MLS to meet the burden of proof.**

Section 12.5 VIOLATIONS OF RULES AND REGULATIONS

If the alleged offense is a violation of the Rules and Regulations of the Service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the MLS Rules Enforcement Committee, and if a violation is determined, the MLS Rules Enforcement Committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the Professional Standards Committee of the Realtors Association of Northeast Wisconsin in accordance with the Bylaws and Professional Standards Procedures of the REALTORS Association within twenty (20) days following receipt of the Committees' decision.

Upon initial administrative review of the written complaint, the MLS may request a written reply from the Respondent to be included in the administrative review by the Rules Enforcement committee.

If, rather than conducting an administrative review, the MLS has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the Board of Directors of the MLS within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the Professional Standards Committee of the Association of REALTORS® for processing in accordance with the professional standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the REALTORS® Association.

NAR Policy 7.21 Appeals

If the Participant refuses to accept any sanction or discipline proposed, the Circumstances and the discipline proposed shall be appealed to the Board of Directors of the association of REALTORS® which shall, if it deems the finding of violation proper and the sanction appropriate to the offense, delay the effective date of sanction until final entry by a court of competent jurisdiction in a suit filed by the association for declaratory relief, except in those states where declaratory relief is not available, declaring that the disciplinary action and proposed sanction violate no rights of the multiple listing service Participant. If the MLS committee has a procedure established to conduct hearings, the decision of the MLS Committee may be appealed to the of the Association of REALTORS®. If a separately incorporated MLS has an established procedure for the conduct of hearings, the decisions of the hearing tribunal shall be appealable to the Board of Directors of the MLS.

Section 12.6 COMPLAINTS OF UNETHICAL CONDUCT

All other complaints of unethical conduct shall be referred by the Board of Directors of the Service to the local Association for appropriate action in accordance with the Professional Standards procedures established in the Association Bylaws.

NAR Policy 7.21 Complaints of Unethical Conduct

Alleged violations of the Code of Ethics or Standards of Conduct for MLS Participants shall be referred to the Association's Grievance committee for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the Association of REALTORS®.

Section 12.7 COMPLAINTS OF UNAUTHORIZED USE OF LISTING CONTENT

In the event a Participant has knowledge that another Participant is using unauthorized content, they may on their own place a courtesy call to the Participant, or request MLS to contact the Participant requesting removal of the unauthorized content. MLS Participants are encouraged to make attempts to resolve such matters prior to contacting the MLS to pursue formal action. However, if such efforts are not successful, the following will apply.

Any Participant who believes another Participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No Participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section.

Upon receiving a notice, the Board of Directors will send the notice to the Participant who is accused of unauthorized use. Within ten (10) days from receipt, the Participant must either: 1) remove the alleged unauthorized content, or 2) provide proof to the Board of Directors that the use is authorized.

Any proof submitted will be considered by the Board of Directors, and a decision of whether it establishes authority to use the listing

content will be made within thirty (30) days.

If the Board of Directors determines that the use of the content was unauthorized, the Committee or Board of Directors may issue a sanction pursuant to Section 11 and 12 of the MLS Rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee or Board of Director's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 12.8 MLS RULES VIOLATIONS

MLS Participants may not take legal action against another Participant for alleged rules violation(s) unless the complaining Participant has first exhausted the remedies provided in these rules.

Section 12.9 COMPLAINTS OF VIOLATIONS OF CLEAR COOPERATION POLICY

- e. The date the occurrence was discovered and identified, and the date public marketing began if verified.
- f. The complaint name and contact information

The listing submission violations and fines as outlined in Section 4 will be administratively considered by RANW MLS staff and as necessary, the RANW MLS Rules Committee, or Board of Directors.

Section 12.10 MEDIATION

The MLS may offer the services of voluntary mediation to the complainant / respondent upon written agreement of both parties.

SECTION 13. LOCKBOX SYSTEM PROVISIONS

Section 13.1 LOCKBOX SECURITY REQUIREMENTS -- NAR

The Multiple Listing Service shall adhere to the Lockbox Security Requirements as established by the National Association of REALTORS®, as from time to time amended by NAR.

Section 13.2 NAR POLICY ON CRIMINAL INVESTIGATION FOR LOCKBOX KEY HOLDERS

Associations and MLSs may refuse to sell or lease lockbox keys, may terminate existing key lease agreements, and may refuse to activate or reactivate any key held by an individual who has been convicted of a crime within the past seven (7) years under the following circumstances:

- A.** The Association or MLS determines that the conviction(s) relates to the real estate business or puts clients, customers, other real estate professionals, or property at risk, for example through dishonest, deceptive, or violent acts; and
- B.** The Association or MLS gives the individual an opportunity to provide and the Association or MLS must consider mitigating factors, related to the individual's criminal history, including, but not limited to factors such as the:

NAR FACTORS USED IN DETERMINATION OF REQUEST – Re: CRIMINAL INVESTIGATION

1. The individuals age at the time of conviction(s)
2. The nature of the crime and seriousness
3. The relationship of any of the above to the purposes for limiting lock box access.
4. The extent to which access (or continued access) might afford opportunities for you to engage in similar criminal type activity.
5. The extent and nature of past criminal activity.
6. Time since criminal activity was engaged in.
7. Rehabilitation efforts undertaken by applicant since the conviction.
8. Evidence of current fitness to practice real estate.
9. Truthfulness and integrity of the information provided for the purposes of the investigation.

Associations and MLSs should be sure to evaluate individuals uniformly, and avoid making exceptions for one individual, while denying an exception to another individual with a similar criminal history.

Associations or MLSs may suspend the right of lockbox Keyholders to use lockbox keys following their arrest and prior to final determination on any such charge if, in the determination of the association or MLS, the charge relates to a crime that relate to the real estate business or puts clients, customers, other real estate professionals, or property at risk.

Section 13.3 LOCKBOX KEYHOLDERS PREVIOUS DENIAL, REVOCATIONS, OR RESTRICTIONS OF KEYS

Members are to report previous Lockbox Key denials, revocations or restrictions for review by MLS and legal counsel.

Section 13.4 LOCKBOX SYSTEM RULES AND POLICY – RANW

A. RANW Agreements

The Lockbox Rules incorporate the following RANW Agreements, which are all subject to amendment from time to time by the RANW MLS Board of Directors: MLS Lockbox Policies; all MLS Electronic Lockbox System and iBox Agreement for MLS Company Participants; and all MLS Application/Lease Agreement for Electronic Lockbox Key System Key Holders. Members are responsible for compliance with the most current Rules and Agreements in place. The most current version of these Rules and Agreements are available on www.ranw.org.

B. Audits

RANW MLS conducts an annual audit of the electronic lockbox system with participating Companies. Companies must verify existing inventory and must report any missing lockboxes. Companies will be billed for missing lockboxes. Companies who do not timely comply with the audit will be billed for all un-reported equipment and may be suspended from the lockbox service and/or the MLS in accordance with MLS Rules Sections 10, 11 and 12.

C. Further Violations of Lockbox System

Violation of any provision of this Section 13 will subject the user and/or Participant to provisions of MLS Rules, Sections 10, 11 and 12, and any and all provisions of the Agreements or as otherwise may apply.

D. Lockbox Sanctions

Lockbox Sanctions are for the misuse of the Lockbox system including the Lockbox Key. MLS will act upon written complaints received; no anonymous complaints will be acted on. The complaints will be handled both administratively by the MLS Staff as well as the MLS Rules Enforcement Committee.

PURPOSE

(1.) REALTOR® Keyholders:

(a) A REALTOR/MLS Subscriber Keyholder shall use the Key only for the intended purpose of gaining authorized entry into property listings submitted to RANW MLS on which a System Lockbox has been installed, and only as relates to the sale or purchase or appraisal of said property for clients and customers and only as authorized by the listing company in advance.

(b) A REALTOR® Keyholder may use their Lockbox Key to open a listed property for a third party if authorized in writing by Seller and Listing Company as relates to the sale, purchase or appraisal of the property.

(2.) Affiliate Home Inspector Keyholders:

(a) An Affiliate Home Inspector Keyholder shall use the Key only for the intended purpose of gaining authorized entry into real property on which a System Lockbox has been installed, and only for the limited purpose of performing services specifically authorized under the terms of the Offer to Purchase/Addenda in the Home Inspection and/or Testing provisions, subject to prior authorization from the listing company, and all other authorization limitations and elsewhere in the Affiliate Lockbox Agreement.

Further,

(b) only employees of the Home Inspector Company who are also Registered Home Inspectors and authorized Keyholders may access a property listed in MLS via their respective assigned Key to perform work as authorized above in (a) and (b).

(c) An Affiliate Home Inspector Keyholder may not use their Lockbox key to let an employee of their company who is not an authorized Keyholder into the property unless they are under director supervision of Keyholder.

The Affiliate Home Inspector Company may not use the privilege of access to the MLS Lockbox System in advertising related to their Home Inspection or other company(ies).

All Keyholders: Prior Authorization from Listing Company. Having a Key does not allow automatic access to properties in MLS. All Keyholders must have prior written authorization from the listing company to access the property for each visit.

Section 13.5 LOCKBOX COOPERATIVE RECIPROCAL AGREEMENT(s)

RANW MLS has a cooperative reciprocal agreement with the REALTORS® Association of South Central Wisconsin MLS and REALTORS® Association of Central Wisconsin MLS to allow lockbox key access to qualified Participants subject to continued compliance with NAR ELB guidelines.

SECTION 14. CONFIDENTIALITY OF MLS INFORMATION

Any information provided by the MLS to the Participants shall be considered official information of the Service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants entitled to access and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants entitled to access.

SECTION 15. MLS NOT RESPONSIBLE FOR ACCURACY OF INFORMATION

Section 15.1 RESPONSIBILITY

The information published and disseminated by the Service is communicated verbatim, without substantive change by the Service, as filed with the Service by the Participant. *The Service does not verify the information provided and disclaims any responsibility for its accuracy.*

Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

It is the responsibility of the Participant to ensure that all MLS information as found on the computer and in any MLS Compilation, as well as any changes thereto, is accurate. Participants and Users are responsible to verify that the information and presentation are correct on the computer system, and any compilation.

Section 15.2 DISCLAIMER OF WARRANTY OF DATA PROVIDED BY MLS

Except as otherwise expressly set forth in the Download Agreement, Broker's listing data is provided by MLS "as is" without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

Section 15.3 LIMITATION OF LIABILITY FOR DATA PROVIDED BY MLS

Except for an intentional breach of any express obligations under the Download Agreement, RANW shall not be liable for any damages including without limitation any lost profits, lost savings or other incidental, special or consequential damages arising out of the use or inability to use MLS or IDX listing data, or arising for any reason hereunder, even if Broker or RANW has been notified of possibility of such damages.

SECTION 16. COMPARABLE AND STATISTICAL INFO - REALTOR AND LOCAL ASSOCIATION MEMBER'S ACCESS

REALTORS® who are actively engaged in real estate brokerage, management, appraising, land development, or building, but who do not participate in the MLS; or Local Association Affiliate Members, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including "comparable" information, "sold" information, and statistical reports.

This information is provided for the exclusive use of REALTORS® and Local Association Affiliate Members and may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations, or in the policies of the REALTORS Association as approved by the Board of Directors.

SECTION 17. OWNERSHIP OF MLS COMPILATIONS* AND COPYRIGHTS

Section 17.1

By the act of submitting any property listing content to the MLS, the Participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on "Comparables". Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Each Participant who submits listing content to the MLS agrees to defend and hold the MLS and every other Participant harmless

from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content.

NAR Policy 7.85 Reference

The listing broker owns the listing agreement. Prior to submitting a listing to the MLS, the listing broker should own or have the authority to license all listing content (e.g., photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property) to be published in the MLS compilation of listing information.

Use of listings and listing information by MLSs for purposes other than the defined purposes of MLS require Participants' consent. Such consent cannot be required as a condition of obtaining or maintaining MLS Participatory rights.

MLSs may presume such consent provided that listing brokers are given adequate prior notice of any intended use unrelated to the defined purpose of MLS and given the opportunity to affirmatively withhold consent for that use.

Participants cannot be required to transfer ownership rights (including intellectual property rights) in their listings or listing content to MLS to obtain or maintain participatory rights except that MLSs may require Participants to grant the licenses necessary for storage, reproduction, compiling, and distribution of listings and listing information to the extent necessary to fulfill the defined purposes of MLS. MLSs may also require Participants to warrant that they have the rights in submitted information necessary to grant these rights to MLS.

Section 17.2 DIGITAL MILLENNIUM COPYRIGHT ACT

NAR Policy 7.99 (In Part) Informational Note:

The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria.

Courts construe the definition of "online service provider" broadly, which would likely include MLSs as well as Participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000.00 per work.

For this reason, it is highly recommended that MLSs, Participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

Section 17.3 PHOTOS OR OTHER COPYRIGHT CONTENT - TAKE DOWN NOTICES

RANW MLS follows the safe harbor provisions of 17 USC § 512. As such, upon receipt of a valid takedown notice claiming infringement of copyright in the use of photos or other content on a MLS property listing, the photos will be immediately removed from the listing by MLS, and the listing company and listing agent will be notified of action. For more details see RANW MLS's DMCA policy here: <https://www.ranw.org/media/1385/ranwandranwmls-atty2021ranwdmcawebsitenotice-dec2020.pdf>. Complaints of unauthorized listing content will follow the procedure described in Section 12.6.

See also Section 4.12 DMCA, regarding Photos.

Section 17.4 OWNERSHIP OF COMPILATION COPYRIGHT

All right, title, and interest in each copy of every Multiple Listing Compilation created and copyrighted by the REALTORS® Association of Northeast Wisconsin Multiple Listing Service, and in the copyrights therein, shall at all times remain vested in the REALTORS® Association of Northeast Wisconsin Multiple Listing Service.

A. Annual Click-Through Agreement:

On an annual basis, RANW MLS posts a click-through agreement on the MLS system (which is currently the Paragon System, licensed from Black Knight).

Any members/users logging into the MLS system must agree that the MLS is the author and owner of the copyright in the MLS database compilation (the selection, arrangement, and coordination of the MLS database) as described in these MLS rules.

Note: When an individual Participant or subscriber enters listing information into the MLS database that individual necessarily makes choices and decisions about the data member/user is entering into the MLS database. RANW MLS's click-through agreement makes it clear that those *choices* made in the database are a "work made for hire" under the meaning of the Copyright Act of 1976 (or alternatively assigned to RANW MLS). The click-through does not change Participant's or subscriber's ownership of original text (like public remarks), photographs, or videos that you create and submit with your listings.

Section 17.5 DISPLAY

Each Participant shall be entitled to lease from the REALTORS® Association a number of copies of each MLS Compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers or appraiser trainees, but not including any licensee subject to fee waiver under Section 9.2) with such Participant with one copy of such Compilation. The Participant shall pay, for each such copy, the rental fee set by the Association.

Participants shall acquire by such lease only the right to use the MLS Compilations in accordance with these rules.

* The term MLS Compilation, as used in Sections 15, 16, 17, and 18 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including, but not limited to, bound book, loose-leaf binder, computer data base, card file, or any other format whatever.

SECTION 18. USE OF COPYRIGHTED MLS COMPILATIONS

Section 18.1 DISTRIBUTION

Participants shall at all times maintain control over and responsibility for each copy of any MLS Compilation leased to them by the Association of REALTORS, and shall not distribute any such copies to subscribers other than persons who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, appraiser trainees, and any other subscribers as authorized pursuant to the governing documents of the MLS.

Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law.

Section 18.2 DISPLAY

Participants, and those persons affiliated as licensees with such Participants, shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation. "Persons affiliated as licensees" in the previous sentence does not include licensees subject to fee waiver under Section 9.2.

Section 18.3 REPRODUCTION

Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable * number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participants or their affiliated licensees, be interested. "Persons affiliated as licensees" in the previous sentence does not include licensees subject to fee waiver under Section 9.2.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying; distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licenses affiliated with the Participant who are authorized to have access to such information. (The previous sentence does not apply to licensees subject to fee waiver under Section 9.2.)

Such information may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm.

* It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable", as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchasers' decision-making process in the consideration of a purchase.

Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus "reasonable" in number, shall include, but are not limited to, the total number of listings in the MLS Compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

SECTION 19. USE OF MLS INFORMATION -- INTERNET AND ADVERTISING

Section 19.1 ADVERTISING OF LISTING FILED WITH THE SERVICE

A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker.

Section 19.2 USE OF MLS DATA ON INTERNET

A. MLS Information

Participants may, with notification to MLS, utilize, display, distribute or reproduce listing sheets or other compilations of MLS data that pertain exclusively to properties currently listed for sale with the Participant.

However, MLS information, in whole or in part, which does not pertain exclusively to properties currently listed for sale with the Participant, may not be transferred electronically or otherwise to any data service, outside or within the internet, unless such transfer is approved and controlled by the RANW MLS.

B. Data License Agreement and Data Provider

RANW MLS may use a third-party data provider to facilitate data access and third party may have additional documentation (license agreement) for MLS Participant and their vendor.

RANW MLS and RANW MLS's third-party data provider grants to Participants a terminable non-exclusive, non-transferable license to use the MLS data under terms and restrictions outlined in the RANW MLS Data License Agreement. All and any use of the Broker's data is subject to these terms and restrictions.

C. Electronic Display of Other Participants Listings (Non-IDX / Non-Vow)

Participants may not be required to consent to display or distribution of their listings through non-IDX and non-VOW channels as a condition of participation in MLS or as a condition of participation in IDX, except as otherwise provided for in the IDX Rules.

Electronic display and distribution pursuant to this policy contemplates, but is not limited to, Short Message Services ("SMS") / texting technologies, and interactive "social media." All electronic displays and/or distribution of other Participants' listings conducted pursuant to this policy must comply with state law and regulations and applicable rules.

Displays addressed by this policy may be subject to technological limitations on disabling/discontinuing third party comments / review, disabling / discontinuing automated displays of market value, "refreshing" displays on a periodic basis, and possibly other issues which should be taken into consideration when developing rules and policies governing such displays.

Section 19.3 SOURCE OF DATA IN ADVERTISING OR LINKS

Any advertising of, or any link or navigation button to, IDX or any other website where other Brokers' listings are displayed, including but not limited to Realtor.com, shall clearly identify the source of the data.

Section 19.4 LIMITATION ON USE OF MLS & SOLD INFORMATION & COMPARATIVE ADVERTISING DISCLOSURE

Information from MLS compilations of current listing information, from statistical reports, and from any sold or comparable report of the Board or MLS may be used by MLS Participants as the basis for aggregated demonstrations of market share or comparisons of firms in public mass-media advertising or in other public representations.

This authority does not convey the right to include in any such advertising or representation information about specific properties which are listed with other Participants, or which were sold by other Participants (as either listing or cooperating broker).

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the Board or its MLS must clearly demonstrate the period of time, the type, and status of properties, and the geographic area(s) over which such claims are based and must include the following, or substantially similar, notice:

Based on information from the Board/Association of REALTORS® (alternatively, from the MLS) for the period (date) through (date).

"This representation is based in whole or in part on data supplied by the REALTORS® Association of Northeast Wisconsin or its MLS for the period (date) through (date) for the property types of (residential, multifamily, vacant land, commercial) and the status for each. Neither the Association nor its MLS guarantees or is in any way responsible for its accuracy. Data maintained by the Association or its MLS may not reflect all real estate activity in the (geographic area defined) market."

Note: Realtors are obligated under Code of Ethics to "be careful at all times to present a true picture in advertising to the public". (See Article 12 of the Code of Ethics.)

Any public representation of market share made by any company or member based on statistics of MLS shall be subject to administrative inquiry of MLS, at the discretion of MLS, or upon inquiry from another MLS Participant.

Note: The "Geographic Area" language in the advertising disclosure was added for clarification to consumers and to companies. The MLS cannot define individual geographic areas for the purpose of advertising claims, as each claim could be different. However, the guiding principles for claims made regarding advertising are found in the Code of Ethics and in the Wisconsin Department of Regulation and Licensing Administrative Rules. The Code of Ethics requires all REALTORS to present a true picture in their advertising and representations. WI RL 24.04 requires that licensees shall not advertise in a manner which is false, deceptive, or misleading.

Section 19.5 RANW MLS DATA FEEDS and SYNDICATION

Data Feeds on behalf of RANW MLS Participants Requirements

The original notice requests the site to be corrected within 10 days. Vendor shall respond to MLS notice within 10 days that the site is corrected, or request may be made for reasonable additional time needed for site corrections.

The integrity of data is a foundation to the orderly real estate market. The Real Estate Transaction Standards (RETS) provide a vendor neutral, secure approach to exchanging listing information between the broker and the MLS. In order to ensure that the goal of maintaining an orderly marketplace is maintained, and to further establish REALTOR® information as the trusted data source, MLS organizations owned and operated by associations of REALTORS® will implement the RESO Standards as required by the NAR.

SECTION 20. INTERNET DATA EXCHANGE (IDX) See also Section 19.5

Section 20.1 IDX DEFINED / USE OF MLS DATA ON IDX

IDX affords MLS Participants the ability to authorize limited electronic display of their listings by other Participants.

IDX affords MLS Participants the ability to authorize limited electronic display and delivery of their listings by other Participants via the following authorized mediums under the Participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing.

Requests for IDX feeds/downloads must be acted on by the MLS within five (5) business days from receipt, barring extenuating circumstances related to an individual's qualification for MLS participation, and review of the Participant's and vendor's use of the IDX information consistent with the MLS rules, in which case an estimated time of approval or denial must be issued.

Section 20.2 AUTHORIZATION

Participants' consent for display of their listings by other Participants, including Participants of MLSs who are participating in the Wisconsin Real Estate Exchange, pursuant to these rules and regulations is presumed unless a Participant affirmatively notifies the MLS that the Participant refuses to permit display, (either on a blanket or on a listing-by-listing basis).

If a Participant refuses on a blanket basis to permit the display of that Participant's listings, that Participant may not download, frame, or display the aggregated MLS data of other Participants.

Even where Participants have given blanket authority for other Participants to display their listings through IDX, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution. The MLS provides for withdrawal of this consent on a per listing basis through its online MLS software. Participants retain all rights of ownership and display with regard to their own listings.

Section 20.3 PARTICIPATION

Participation in IDX is available to all MLS Participants who are Realtors who are engaged in real estate brokerage and who consent to display of their listings by other Participants. MLS Participants may not use IDX-provided listings for any purpose other than display on their websites. This does not require Participants to prevent indexing of IDX listings by recognized search engines.

Section 20.4 NOTIFICATION

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring and ensuring compliance with applicable rules and policies.

All IDX sites, except for MLS-provided generic IDX site options, must be approved by the MLS prior to the establishment of an ongoing data feed.

Section 20.5 SECURITY AND CONTROL

MLS Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require Participants to prevent indexing of IDX listings by recognized search engines.

Section 20.6 EXCLUSIONS

Listings including property addresses can be included in IDX displays except where a Seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly accessible web sites or VOWs) or other electronic forms of display or distribution.

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown", "downtown", etc.), list price, or type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), or type of listing (e.g. exclusive right-to-sell or exclusive agency, or open listings), Selection of listings displayed through IDX must be independently made by each Participant.

Participants excluding listings from their IDX site shall not represent in any manner that "all listings" are available on their web site.

Section 20.7 TIMELY UPDATES

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours.

Section 20.8 REDISTRIBUTION

Except as provided in the IDX policy and these MLS Rules, an IDX site or a Participant or user operating an IDX site, displaying IDX information, or otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any

person or entity.

Section 20.9 BROKER IDENTIFICATION

Any IDX display controlled by a Participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify, and update information as required by the IDX policy and MLS rules.

Section 20.10 ANY IDX WEBSITE(S) AND DISPLAY(S) CONTROLLED BY A PARTICIPANT (AND A SUBSCRIBER)

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

Either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Participants. Except for the foregoing and subject to Section 20.11, a Participant's IDX display may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

Section 20.11 MEANS TO CORRECT DATA

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the Participants beyond that supplied by the MLS and that relates to a specific property.

Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false.

However, Participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 20.12 DISPLAY (CONTENT OF IDX DISPLAY)

Display of listing information pursuant to IDX is subject to the following rules:

Section 20.12.1 STATUS AND DATA FIELDS

Active, Pending and Sold Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS Participants and users (e.g., showing instructions, and property security information may not be displayed on IDX sites.

RESO Standard Statuses must be used, if those as provided by RANW MLS are not able to be mapped as provided.

Approved RANW MLS IDX Data fields are posted on the RANW MLS website.

SOLDS: The sold listings will be included (going back to January 2012, per NAR requirement), with only one photo, the main photo, as part of the IDX display.

Section 20.12.2 LISTING TYPES

The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed.

Section 20.12.3 NO MODIFICATION OR MANIPULATION

Participants shall not modify or manipulate information relating to other Participant's listings. MLS Participants may augment their IDX displays of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated from the data supplied by the MLS.

The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

Section 20.12.4 RULES

Printed property data sheets, e-mails, or any other output or display containing MLS data, generated from an IDX site, is subject to the same rules as the listing display on that web site.

Section 20.12.5 FRANCHISE COMPANY

At the request of a RANW MLS Participant of a Franchise company, an IDX data feed for a franchise website is allowed, but the website must be branded by the member office. MLS IDX listings are allowed on a franchise site as long as when the consumer is looking at search matches and the detail pages, there is clear branding by the local member office.

Section 20.12.6 LISTING BROKER IDENTIFICATION

(Per NAR Broker's Choice of Attribution Implementation Sept 2022)

Listing Company Identification and Listing Agent Attribution. Will be included in RANW MLS data feeds as required by NAR. All listings displayed pursuant to IDX shall identify the listing firm, and the email or phone number provided by the listing participant in

Section 21. VIRTUAL OFFICE WEBSITE (VOW) *See also Section 19.5*

Section 21.1 (a): A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability.

A non-principal broker or sales licensee affiliated with a Participant except one subject to fee waiver under Section 9.2, may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability.

(b): As used in Section 21 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees other than those subject to fee waiver under Section 9.2— except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.

(c): "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d): As used in Section 21 of these Rules, the term "MLS Listing Information" refers to active and pending listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 21.2 (a): The right of a Participant's VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in

which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b): Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange ("IDX").

(c): Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant's VOW.

Section 21.3 (a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

(i.) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

(ii.) The Participant must obtain the name of and a valid email address for each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

(iii.) The Participant must require each Registrant to have a username and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the username and password or may allow the Registrant to establish its username and password. The Participant must also assure that any email address is associated with only one username and password.

(b): The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, username, and current password of each Registrant.

The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant's password.

(c): If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, username, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d): The Participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to, a "Terms of Use" provision that provides at least the following:

(i.) That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

(ii.) That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;

(iii.) That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

(iv.) That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;

(v.) That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e): The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f): The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 21.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW.

The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 21.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 21.6 (a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet.

Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms,

such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b): A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option A or Option B

A. ☐ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

B. ☐ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

Initials of Seller

(c): The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 21.7:

(a) Subject to subsection b, a Participant's VOW may allow third-parties:

- (i) To write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- (ii) Display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing

(b): Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites.

Subject to the foregoing and to Section 21.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 21.8: A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 21.9: A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 21.10: Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 21.11: A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 21.12: A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property.

Section 21.13: A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 21.14: A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 21.15: A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a.) The type of listing agreement, i.e., exclusive right to sell or exclusive agency.
- b.) The seller's and occupant's names(s) phone number(s), or e-mail address (es).
- c.) Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed

- property.
d.) expired and withdrawn listings

Section 21.16: A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 21.17: A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is "Information supplied by seller and other third parties and has not been verified" A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 21.18: A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, and the email or phone number provided by the listing Participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

Section 21.19: A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not fewer than five hundred (500) listings or fifty percent (50%) of the listings in MLS, whichever is less.

Section 21.20: A Participant shall require that Registrants' passwords be reconfirmed or changed every ninety (90) days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently.

Section 21.21: A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf.

However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 21.22: A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from brokers not participating in the MLS, to be searched separately from listings in the MLS.

Section 21.23: Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 21.24: Where a seller affirmatively directs their listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within forty-eight (48) hours.

SECTION 22. PARTICIPANT DATA RETURN – FIRM SPECIFIC DATA FEED

Participant Valuation services need not include any human judgment or analysis. Section 24.2 Valuation Vendor. "Valuation Vendor" refers to an entity or person designated by Participant to provide Participant Valuation services to Participant, subject to Participant's supervision, accountability, and compliance with this policy. No Valuation Vendor has independent participation rights in the MLS or right to use MLS listing content, except in connection with the provisions of Participant Valuation services to Participant. Access by Valuation Vendor to MLS listing content is derivative of the rights of the Participant on whose behalf it provides the Participant Valuation services. Participant may use Valuation Vendor's technology platform and services to facilitate the fulfillment of Participant Valuations services, subject to and as permitted by state law.

Section 24.3 Provision of Participant Valuation. Participant may provide Participant Valuation services to individuals and entities with whom Participant establishes a broker-customer or broker-client relationship. Participant's Valuation Vendor may facilitate such actions where permitted by state law.

The agreement may also include such other provisions as may be agreed to between the Participant and Registrant.

SECTION 28. NAR STANDARD MLS LOGO

Authorization to use the Standard Multiple Listing Service Logo of the National Association of REALTORS®

The National Association of REALTORS® has approved a standard Multiple Listing Service logo (the "Logo") for use by authorized chartered Associations of REALTORS®, members of such Associations, and Multiple Listing Services solely owned by such Association(s) pursuant to the terms set forth herein, and as further described in the Membership Marks Manual. Downloadable files and additional information about the Logo may be found on nar.realtor.

Authorization to use the Logo is limited to the following authorized licensees ("Authorized Licensees"):

- a. Associations of REALTORS® that own or control a Multiple Listing Service, wholly owned by REALTOR® Associations, and that have certified that their governing documents comply with Multiple Listing policy of the National Association.
- b. Multiple Listing Services owned and/or controlled solely by an Association(s) of REALTORS®, and when the governing documents of the owning or controlling Association(s) of REALTORS® and/or the MLS, if a separate legal entity with separate governing documents, have certified that their governing documents comply with Multiple Listing policy of the National Association.
- c. Members of an Association of REALTORS® that owns and/or controls a Multiple Listing Service and that has certified that their governing documents comply with Multiple Listing policy of the National Association.

Authorized Licensees use of the Logo is subject to the following limitations:

- The Logo may not be modified.
- The Logo may not be used as a lapel pin or jewelry.
- The Logo may be used only on stationery, printed forms, and websites and within promotional materials regarding multiple listing services.
- Authorized Licensees acknowledge that the National Association is the exclusive owner of the Logo.
- The Multiple Listing Service must cease all use of the Logo in the event it is no longer solely owned and/or controlled by an Association(s) of REALTORS®.
- The Association(s) of REALTORS® and Multiple Listing Service must cease all use of the Logo in the event any governing documents of the Association(s) of REALTORS® or the Multiple Listing Service, if applicable, do not comply with Multiple Listing policy of the National Association.
- The National Association reserves the right to require Authorized Licensees to adhere to additional limitations on use of the Logo and to cease use of the Logo for any reason within its sole discretion.

Special Notes Concerning the Standard Multiple Listing Service Logo and the National Association's REALTOR®

Trademarks: The National Association of REALTORS® does not permit any variation of the Logo design. Further, the National Association will not review and does not authorize any Multiple Listing Service insignia to be used with the Logo other than the Multiple Listing Service's own logo.

Further, the National Association's REALTOR® trademarks may not, in any instance, be used in connection with any Multiple Listing Service not owned and/or controlled solely by an Association(s) of REALTORS®.

NAR Policy 7.13: Use of the Standard Multiple Listing Service Logo by Nonmember Participants

The Logo may not be used by non-association members of an MLS, including in any state where law requires that brokers (principals) who are not REALTORS® be admitted to the Multiple Listing Service of an Association of REALTORS® or in any Association which has voluntarily opened its MLS to non-member brokers and/or appraisers. Such use would be a misrepresentation and would violate the registration rights in the REALTOR® trademarks of the National Association of REALTORS®, the lawful owner of said collective marks. Where such non-association member advertises that they are a member of the Multiple Listing Service of an Association of REALTORS®, the Multiple Listing Service may properly require that such Participant of the service include in such advertisement that they are not a member of the Association of REALTORS®.

- It is subject to Wisconsin Statue 703.
- A Condo owner owns an undivided interest in the land along with all the other condo owners in the particular development.
- **Common element:** is normally defined as all parts of the condominium other than the units.
- **Limited common element** is a common element that is restricted for the exclusive use of one or more but less than all of the unit owners. An example: if in Condo docs it states, water frontage directly in front of a unit is specifically for the use of that unit.

NOTE: RANW MLS does not have a sub-property type of Twindo. The term Twindo is **NOT** defined in Wisconsin statutes as a specific type of property or form of ownership; however, it typically describes a duplex, or a two-unit dwelling, where you buy one half. Ownership could be as a condominium or as a zero-lot-line property.

Room sizes/dimensions are optional for Multi-Family properties with 3+ Units.

- List property # 1 and # 2 as combined -with price for both at a higher price - in MF, allows specs for each property for clear info on each structure, and it should be clear that two structures, not just one structure with two units.
- The posting of the sale should be reflective of the closing and the other properties removed from MLS.

PROPERTY LOCATION

Streets

- **Numbered Streets** must be entered on the data sheet in numeric format, e.g. 4th St, not Fourth St.
- **Highway-type streets** should be entered as their CRS data and/or tax record name in Street field # 1 in MLS, and also as "Hwy" in Street field # 2 in MLS, to allow for ease of searching and history in the MLS System. MLS will correct if not submitted correctly. For example: 1234 Hwy X, not Cty Hwy, State Hwy or U.S. Hwy.
 - Street suffix: Suffix should be entered if applicable, e.g., Street=St, as list provided in MLS System

School District Code # - Make sure school district is in the correct market area. School District Codes can be found at the RANW website: www.ranw.org MLS / Market Areas / School District Codes, most updated draft may be found on Paragon MLS System.

WATERFRONT

Waterfront Policies and definitions, for all Property Types:

The property/owner must:

- 1) own frontage abutting a basin, bay, channel, lake, river, or “other” body of water; that allots lawful riparian or littoral rights;
- 2) properties with “only deeded water access” do not qualify as “waterfront”;
- 3) require an inclusion of a GIS image, map image, or similar photo of the body of water; **The request for a GIS image is to allow the viewer to see the property in relation to the body of water.**
If you do not have a GIS image, you may use the Google map from the Paragon system as one of the 90 photos in MLS to fill this requirement *Note the How To*.
- 4) Required if “Other” is selected, an explanation is to be included in Public Remarks identifying what the Body of Water is;
- 5) the body of water is no longer required to be on the DNR Bodies of Water list, with the exception of a body of water that is referred to as a pond in name;
- 6) if the body of water has “pond” in the name, the body of water will need to be on the DNR Bodies of Water list, for example: Reservoir Pond or Chute Pond in Oconto County

- **Riparian and Littoral Rights**

Riparian and littoral rights refer to rights that are incidental to ownership of land adjacent to or abutting navigable water, such as streams, rivers, lakes, ponds, and some flowages. Historically riparian referred to streams, rivers and, in most cases, lakes and ponds, while littoral pertained to large bodies of waters, such as oceans and great lakes.

In Wisconsin we have seen the term “riparian” used to apply to the rights of property owners abutting all types of navigable water, including great lakes. We use both terms here to be inclusive.

Waterfront Image – as a photo: If You Have Screen-Shot Software: using that will be the easiest method of obtaining a photo. If you do not have Screen-Shot Software: you can print the Paragon map and scan it as an image.

Allowable to use is the aerial view of the listing’s map in Paragon (if correct) as the required GIS image – as required Photo.

SQUARE FOOTAGE GUIDELINES

Only finished square footage is to be reported. MLS guidelines for measuring square footage are also found on the RANW website: www.ranw.org- MLS / Listings / Help Tips for Data Sheet or on Paragon MLS System. Also for assistance

The RANW MLS Residential Housing Styles with Square Footage Guidelines

MLS allows for the reporting of only finished square footage fields for: above ground finished below-ground finished and total finished square footage.

Residential Housing Styles with Square Footage Guidelines If below ground area is included in square footage total, a photo of area, or inclusion on virtual tour, is required in MLS, and should be labeled as lower level/basement.

RANW MLS Reporting Finished Square Footage:

1. If there is a room included in finished square foot field, the rooms are to be reported with dimensions in MLS, the space/rooms must be finished per the MLS definition of finished room.
2. If a room in the lower level/basement does not meet the local/state housing code for a bedroom then the room should be reported as an “other room”, not a bedroom. *See WRA Legal Hotline Hottips of March 19, 2012.
3. If any finished room dimensions are displayed in the lower level/basement, then the finished square footage of those rooms must be included in the finished below-grade and total square footage fields other than lower level finished bathroom(s).
4. If any rooms are displayed as finished below-grade square footage, at least one below-grade photo or virtual tour is required. (Required finished below grade photo shall be labeled as such).
5. Only the primary structure finished square footage is to be reported, balance of info may be reported in Remarks.

Finished space

Finished space included in square footage must be:

1. Space that is intended for human occupancy;
2. Heated by a permanently-installed heating system(s)*;

***Permanently Installed Heat Sources that may be considered for finished rooms:**

Gas Furnace, Oil Fired Furnace, **permanently wired electric heat or other source that operate** without human intervention for extended periods of time, with an **allowable exception of a Seasonal Dwelling property with no**

permanent heat sources. (The **Season Dwelling** may include square footage due to this exception.)

3. Directly accessible from other living areas through a door or by a heated hallway or stairway, **except** for a finished lower level room or bathroom;
4. Finished, with all walls, floors and ceiling **in materials generally accepted for interior finished construction** (for example, painted drywall / sheet rock or paneled walls, carpeted or vinyl or hardwood flooring, epoxy floors).
 - The Finished space must be heated, have finished walls, have a finished ceiling (no exposed floor joists), and have finished floor (**painted concrete walls or floors does not count**).

If one of these four components is missing, the space may still be counted as “finished square feet”, **but disclosure of the missing component must be included in RANW MLS Public Remarks.**

 - This finished space rule applies to all room levels.
 - The property exception to this rule would be a Seasonal Dwelling with non-permanent heat source, the Season Dwelling may include the finished square footage, and if there is any form of heat source it is to be include in Public Remarks.

Above-Grade Finished

Above-Grade is defined as space on any level of a dwelling that has finished square footage and **no earth adjacent to any exterior wall on that level**. Space that is “at” or “on grade” is considered “above-grade”.

Below-Grade Finished

Below-Grade is space on any level that has finished square footage, is accessible by interior stairs, and has earth adjacent to any exterior wall on that level. If earth is adjacent to any portion of a wall, the entire level is considered “below-grade”.

Non-Contiguous lower level finished square footage is to be reported in RANW MLS.

*If any FINISHED room dimensions are displayed in the Lower Level or Basement, the reported Est. Finished Below-Grade Square Footage amount CANNOT be Zero. The only exception to this rule is for a finished bathroom; below grade finished bathroom square footage does not need to be reported but may be.

Unfinished Space

Unfinished Space that does not meet the criteria for finished square footage, but which contributes to the value of the dwelling, may be included in MLS Public Remarks if applicable, but may not be included in finished square footage.

The MLS data fields for Unfinished Rooms and dimensions should be used to report these rooms.

For example: a 3-Season Room, a non-qualifying finished bedroom, unfinished attics (with permanent stairs), unfinished bonus rooms, shops, decks, balconies, porches, garages and carports, and rooms above grade without access from inside dwelling.

Examples: (1) a 3-Season room **may not be counted in the Above Grade Square Footage**, or as a finished room, with a missing component in Public Remarks – because it is finished-built as a 3-Season room, typically not a heated room.

The difference between a 3-Season and 4-season room is the heating component and it would not have anything to do with a missing component. (2) Lower Level/Basement **may be counted in the Finished Square Footage** and in finished room area if everything is finished as typically would be for human occupancy with the exception of this one component missing, the walls are cement. It is required to include this in the public remarks.

Contiguous Square Footage: Finished areas connect from room to room or space to space with no unfinished areas or spaces in between. Example is you walk to basement and immediately enter finished space.

Non-Contiguous Square Footage: Finished areas are interrupted by unfinished areas in between. Below grade example: you walk into the basement to unfinished space, then you walk to one end of the basement and there is a finished room. There was unfinished space from the steps to the finished space. Above grade example: a finished bonus room above the garage that is interrupted by unfinished space to get to.

Primary Structure-Dwelling

If a listing is submitted to MLS that has two or more addresses, (regardless if on one tax id or not) the rooms and square footage should not be added up as a total for both properties for the listing. The listing price to be as dictated per the contract, for either one or both properties.

The listing may be entered if desired twice in the MLS with each address, identifying each property per address, and noting the other property in Remarks, only one of the listing submissions to MLS may be reported closed, and the other is to be deleted. May use MLS fields of **Accessory units** to record more information.

Walk-out - A basement with an exterior door (not a lower level). Windows, even large windows, do not qualify. (Including Bilco-type doors).

Finished Lower-level Basement - Finished Lower Level and finished Basement rooms, other than bedrooms; may be included in the finished square footage totals and in finished room description area. If there is finished lower-level square footage, there must be room dimensions indicating same. Only finished bedrooms that meet code requirements may also be included in counts.

Full Bath - Has sink, stool, tub or shower. Finished Full Baths in lower levels / basements may be counted in bath count.

Half Bath - Has sink and stool only. Finished half Baths in lower levels / Basements may be counted in bath count.

Bedroom - A walk-through bedroom (off another room with no other access) can be counted as a room, but not as an additional bedroom; If a finished room *meets code requirements* it may be counted as a bedroom in lower level / basement – finished below grade square footage and be added in the bedroom number count.

A **closet** is not required to have a room be considered a bedroom. Main bedrooms and baths will be referred to as primary.

Room Dimensions –Measurements are to be rounded to the nearest lowest foot. If a finished room dimension is reported, that finished room dimension shall also be reflected in the finished square footage fields.

An allowable exception is for finished lower-level bathrooms. Room dimensions with a slanted roof are measured to a 7-foot ceiling height.

Split Bedroom – Denotes a floor plan layout where bedrooms appear on opposite ends of the home.

Garage – a garage is measured by Width not Depth, a 24-foot minimum width to allow for a two and a half (2.5) car garage, a 30-foot minimum width to allow for a 3-car garage and a 40-foot minimum width to allow for a 4-car garage. A tandem Garage may be considered as two stalls as applicable but must be indicated as a Tandem.

Building Types – Required field, see definitions below, or see Building Types and Architectural Styles Guide on www.RANW.org-MLS or on the MLS System.

BUILDING TYPES, required:

- **1-Story:** One finished level above grade. May have an additional level, finished or unfinished, below grade.
- **1.5 Story:** Two finished levels with the upper finished level having less square footage than the first level.
- **2-Story:** Two finished levels, un-staggered, above grade. Could have a third level, finished or unfinished, below grade. The second floor finished level is essentially the same finished square footage as first floor.
- **Bi-Level:** Two finished levels with the front door “between” the floors. Stairs immediately lead up and down from the entry way. Below ground level may have daylight-windows. The front door is usually in the middle of the home. Also referred to as a raised ranch or split entry. May include garage on the basement level.
- **Multi-Level:** Four or more un-staggered levels above grade. May have an additional level, finished or unfinished, below grade. Other-See Remarks: Any building type allowed in RANW MLS but not noted on this list. Any “Other-See Remarks” answer must be described in the Public Remarks section.
- **Tri-Level:** Three staggered levels with two finished levels above grade and the third level below grade (finished or unfinished). Also referred to as a split level.
- **Quad Level:** Four staggered levels with two finished levels above grade, a finished level below grade and a fourth level (below grade) considered the basement which could be finished or unfinished. Also referred to as a split level.

Architectural Styles – Optional field, but helpful for search-ability. See selections and definitions in the Building Types and Architectural Styles Guide on www.RANW.org>MLS or on the MLS Paragon System>Resources>Links.

STATUSES AND SOLD REPORTING

Days on Market () – Is calculated from the listing date to the Pending date as of January 2013. This is an important date when reporting as it is the final calculation for DOM.

Previous to 2013, the DOM calculation was calculated from the listing date to the Sold date. DOM appears on Active properties of Agent displays.

Even if a listing is withheld from showings, the list date is used for calculation of Days on Market (DOM).

Listing visibility and Statuses in MLS:

Unconfirmed – (U) Listing Visibility Status shows if property is entered into the MLS System but is not yet active on the MLS System.

The unconfirmed Listing Visibility status is included in the data feeds for company firm specific feeds only. The MLS # is assigned to listing, but may not be used publicly until listing is active in MLS.

Confirmed – New and active in the system for all members. **New – (N)** status shows on the MLS System as New on the Hotsheet (as of the day is hit the Hotsheet) and will indicate as Active on displays.

Statuses - Note the Statuses and Definitions of each, are within Section 4 of the Rules, and in Definitions Section.

Types of Sale – required for reporting property sold:

Real estate owned or REO is a class of property owned by a lender—typically a bank, government agency, or government loan insurer—after an unsuccessful sale at a foreclosure auction.[1] A foreclosing beneficiary will typically set the opening bid at a foreclosure auction for at least the outstanding loan amount. If there are no bidders that are interested, then the beneficiary will legally repossess the property. This is commonly the case when the amount owed on the home is higher than the current market value of this foreclosure property, such as with a high loan-to-value mortgage following a real estate bubble. As soon as the beneficiary repossesses the property it is listed on their books as REO and categorized as an asset (non-performing asset).

Short Sale is a sale of real estate in which the proceeds from selling the property will fall short of the balance of debts secured by liens against the property and the property owner cannot afford to repay the liens' full amounts, whereby the lien holders agree to release their lien on the real estate and accept less than the amount owed on the debt.[1] Any unpaid balance owed to the creditors is known as a deficiency.[2][3] Short sale agreements do not necessarily release borrowers from their obligations to repay any deficiencies of the loans, unless specifically agreed to between the parties. A short sale is often used as an alternative to foreclosure because it mitigates additional fees and costs to both the creditor and borrower.

While credit is also typically damaged much less than from a foreclosure, both often result in a negative credit report against the property owner.

Court Ordered Sale: Means a judge ordered the sale. Usually 2 people own it, one wants to sell, the other did not. This could be a divorce or it could be an inherited property with multiple siblings. Someone is selling and not happy about it.

Estate sale or estate liquidation is a sale or auction to dispose of a substantial portion of the materials owned by a person who is recently deceased or who must dispose of his or her personal property to facilitate a move.

Relocation Sale is a sale from a company that has purchased the property from the previous owner in order to move that person for a company transfer. The Relocation Company will then sell the property most of the time through the MLS.

Arm's Length Transaction is a transaction between unrelated parties who are each acting in his or her own best interest. AND the property was exposed to the open market.

Non-Arm's Length Sale is a sale that did not hit the open market. An example would be an individual owner selling the

property to a family member, or other individual when the property **was not** exposed to open market conditions.

Examples of Non-Arm's Length Sales:

1. Builder contract to build a house for an individual
2. Seller selling to family member
3. Seller selling to any individual where the property wasn't exposed to the open market competitive bidding, just that one party.
4. Seller selling to a corporation where the property wasn't exposed to the open market.

What does "exposed to open market" mean? Answer: Any unrelated person was given an opportunity to buy the property. It doesn't have to be in MLS and can just be a sign in the yard with no advertising elsewhere. Or, it can be a homeowner declaring to his neighbors the property is for sale. And then multiple neighbors put in their bid for the house. This is being exposed to multiple parties for the sale.

COMP – Sold Only Listing

(These listings are to be submitted to MLS within 5 business days from closing on the RANW MLS Property data form with the sold information and MLS will enter them into the system or may be entered into the MLS as a Comp-Sold Only by member).

When a Comp only sale comes into the MLS the question arises how it should be entered whether "Arm's Length" or "Non-Arm's length".

It should be entered as an "Arm's Length" transaction if it was on the open market for anyone to bid on it.

Examples Arm's Length are: the seller told the neighbors they're selling their house and a neighbor finds a buyer and they negotiate the sale; a seller announces at work they are selling their house and a co-worker has a friend that buys the property; the seller puts a "For Sale By Owner" sign in their yard and a buyer comes forward. Note all these possibilities allow for "anyone" to bid on the property.

It should be entered as "Non-Arms-Length" transaction if the property does not allow for "open bidding" or anyone gets the "chance" to bid on it.

Examples of Non Arms-Length are: If a waterfront seller sells to neighbor because the neighbor wants to tear it down and keep the land after; If a person knocks on the door of seller and asks if they're selling their house and they negotiate a sale that doesn't allow for anyone else to bid on the property; if seller sells to family member to keep the property in the family it is not exposed to open bidding.

A comp only sale should be put into the MLS as an arm's length transaction only if it hit the open market, meaning anybody, or multiple parties, could have bought the property.

Seller Allowances

Is required for reporting property sold information as applies:

The appraiser is responsible for adjusting the sales prices of comparable sales for seller allowances to reflect a cash equivalent price.

Dollar adjustments should be made for allowances such as those below that influence the final sales price. These adjustments are not necessarily dollar for dollar and should reflect the impact on the sales price resulting from the allowance.

Buyer Inducement

Required for reporting property sold information as applies.

Buyer Inducement is any amount of money offered over listing price to induce Seller to choose Buyers Offer.

Examples of Buyer incentives/inducements would be: Paying the full year tax bill instead of proration, paying sellers closing costs, paying the difference between the selling price and the appraised value, paying sellers moving costs, etc.

NAR policy further defines Seller Allowances: Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alterations not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value.

See following definitions:

Cash payment for closing costs and/or pre-pays - The most popular seller allowance in northeast Wisconsin. In exchange for a certain selling price, the seller agrees to pay all, or part, of the closing costs and or pre-pays for buyers.

Seller paid points - Another popular seller allowance that is similar to the interest rate buy down. Seller pays points toward buyer's mortgage to lower the mortgage or interest for buyer.

Allowance - Allowances can take many forms such as decorating allowance, updating allowance or landscaping allowance to

name a few.

Interest Rate Buy-Down - A much less used allowance in today's market that includes a sub-market conditional sales contract or purchase money mortgage.

Loan Assumption - Another seldom used allowance in today's market involves seller assuming a loan on behalf of buyer that provides financial incentive for buyer to pay a certain amount for the home.

New Construction Homes - New construction homes have to be analyzed differently because the ability to negotiate for "add-ons" (fireplace, paved driveway, landscaping, and central air, just to name a few) during construction makes this unique. Typically, the previously mentioned items are not considered allowances; rather they are part of the purchase price. There are many negotiable scenarios during a new construction, and each has to be considered independently.

Home Warranty Paid By Seller - This allowance is not a requirement for sale of properties. Some sellers provide the warranty as incentive.
